
'Desperate Faith Meets Divine Favor'

Know the Real Jesus

Luke 8:40-56 ESV

It's where we place our 'imperfect' faith that counts Notice Jesus':

1) Accessibility/approachability:

He engaged the affluent/respected, yet humble man
He engaged the anonymous/rejected, yet humble woman

2) Awareness:

His divine power must be personally sought
His divine plan must be patiently believed

3) Admonishments:

There's a time to open our mouths and testify
There's a time to close our mouths when tempted to mock

4) Authority:

To heal - beyond the physical and to add to His family
To raise the dead – and keep His timeline for His own death and resurrection

This Communion Table is Symbolic of Jesus:

Accessibility: Whoever calls on the name of the Lord...

Awareness: All have sinned and fall short of God's...

Admonishment: The wages of sin is death, but the gift...

Authority: I am the way, the truth and the life...
